1. About WARDI, Unicef and the project

WARDI is a national non-governmental organization in Somalia with operational presence across six regions in South Central. Founded in 1993 and dully registered with the Federal Government of Somalia, WARDI's mission is to provide dignified support to people affected by crises to enable them to lead a dignified and prosperous life. WARDI has offices in Mogadishu, Jowhar, Afgoi, Wanlaweyn, Beledweyne and Bulaburte in South Central as well a liaison office in Nairobi. WARDI specializes in responding to humanitarian emergencies, bridging the gap between crisis and resilience as well as long-term developmental projects with track record in implementing high quality health and nutrition, food security and livelihood, education, protection and WASH interventions. Our programming has the distinct attributes of applying bottom-up approach that puts the communities, local authorities and governments (National and Federal states) we work with at the center of our programs.

2. About the project

With funding from CARITAS, WARDI is implementing a project titled: Emergency response to drought-affected HHs in Banadir and Lower Shabelle regions of Somalia. To enhance the health, hygiene, and resilience of vulnerable communities in targeted locations by addressing critical needs related to sanitation, water access, and disaster preparedness. It will also help the most affected population in reducing negative coping mechanism. Improved health, hygiene, and resilience of vulnerable communities through enhanced access to sanitation, clean water, and community capacity building for effective disaster preparedness.

The successful bidder will be informed in writing through a Notification of award that its tender has been accepted. Through this notification, the contract is concluded and becomes legally effective.

7. Terms and conditions

a. The contract

The contract is included in annex F: By submitting your offer, you agree to its terms. Divergent contractual conditions such as delivery periods, payment modalities, etc. are inadmissible and cause the exclusion of the bidder. The conclusion of the contract occurs at the award of the bid. The signing of the contract, done after the award of the tender, is only a matter of formality.

b. (For the delivery of service) Defects

In the event of delivery of defective or inadequate products or services, the tenderer shall be obliged to replace them within a maximum of two weeks from the date of detection of the defect and the tenderer shall be obliged to bear all costs of analysis and destruction of the defective products. The customer/organization, in turn, undertakes to report any defects to the contractor immediately after becoming aware of them.

c. Payment conditions

Payment will be made in USD after fulfillment of the contractual obligations within 14 days after presentation of the invoice, and after completion of all the agreed upon services.

Further information on the payment conditions can be found in the contract in the annex F.

d. Cancellation or modification the procedure

Changes to deadlines or the ToRs, as well as a transfer back to a previous state of the procedure are possible at any time.

A cancellation, transfer back or modification to the procedure is possible at any time and may occur for example if:

- The bidding procedure has been unsuccessful, for example if no qualitatively or financially worthwhile quotations have been received or there has been no response at all,
- The economic or technical parameters of the project have been fundamentally altered,
- exceptional circumstances or force majeure render normal performance of the project impossible or all technically compliant quotations exceed the financial resources available,
- There have been irregularities in the procedure, if these irregularities have prevented a fair competition.

In the event of the quotation procedure's cancellation, WARDI will notify the contractors. If the quotation procedure is cancelled before any bid has been opened, the sealed envelopes will be returned, unopened, to the contractor.

In no circumstances is WARDI liable for damages, whatever their nature (damages for loss of profits) due to the modification of the procedure or the cancellation of a bid, even if WARDI has been advised of the possibility of damages. The publication of a procurement notice does not commit WARDI to implement the program or project announced.
